Several one-volume dictionaries of world history have appeared in 1994: World History: A Dictionary of Important People, Places, and Events from Ancient Times to the Present [RBB S 1 94], The Hutchinson Dictionary of World History (ABC-Clio), and now The Larousse Dictionary of World History. The latter two works were compiled in Great Britain.

### **Larousse Dictionary of World History: Bruce P. Lenman**

Other appendixes include a partial list of ethnological and folklore museums throughout the world, arranged by country, and a calendar of festivals and folklore events throughout the world. Although it does not replace more extensive and specialized works on the subject, small public and school libraries will want to purchase a copy of the Larousse Dictionary for their reference collections.
