Latin American Cinemas Local Views And Transnational

topics often studied in literary texts. While Latin American cinema has been a popular subject, Nayibe Bermudez Barrios in Latin American Cinemas: Local Views and Transnational Connections compiles a collection of essays that offers an intellectually stimulating study of those less studied, and some fairly recent, films.

Latin American Cinemas: Local Views and Transnational

What do we talk about when we talk about Latin American cinema within the borders of the United States? Discussions of cinema from the region remain limited to the means of production: which films are produced and financed; how local filmmakers secure the money and access to make the films that then get tied to any given country's national cinema; the aesthetic and cultural movements that ...
