

law order and freedom pdf

Law, Order and Freedom gives an account of the history of Western legal and political philosophy, starting with the pre-Socratics and ending with Rawls. It examines in detail the development of the Enlightenment values of freedom and equality, the foremost principles of many present-day constitutions.

Law, Order and Freedom | SpringerLink - link.springer.com

Law, Order and Freedom gives an account of the history of Western legal and political philosophy. It focuses on law as a system of norms which aspires to provide a fair balance between order and freedom. This liberal ideal of law and justice is a distinctive feature of many present-day constitutions, especially in Western culture.

LAW, ORDER AND FREEDOM - Home - Springer

This freedom ideal is however also strongly contested. In Law, Order and Freedom, a historical overview is given pertaining to the question of the extent to which the modern Enlightenment values can serve as the universal foundation of law and society.
