Dog training is the application of behavior analysis which uses the environmental events of antecedents and consequences to modify the behavior of a dog, either for it to assist in specific activities or undertake particular tasks, or for it to participate effectively in contemporary domestic life. While training dogs for specific roles dates back to Roman times at least, the training of dogs ...

The Yugoslav Wars were a series of separate, but related ethnic conflicts, wars of independence and insurgencies fought from 1991 in the former Yugoslavia which led to the breakup of the Yugoslav state. Its constituent republics declared independence, despite unresolved tensions between ethnic minorities in the new countries, fueling the wars.
