practice the flowers I demonstrated drawing or other flowers from the object in front of them, instead of copying from my drawing. The results were much more individual, diversified, interesting, expressive, and creative. Seeing all the different ways there were to draw the same thing made my heart happy. At home, I prefer to draw from live flowers.

You can ether draw them indoors from a vase, in the garden or out in the country side, if you do the latter please don't pick them. Just treat drawing flowers as you would any thing else, start with the overall shape and progress as shown here refining and adding more and more detail. There is so much to draw here so much to observe and capture.
