A duty to rescue is a concept in tort law that arises in a number of cases, describing a circumstance in which a party can be held liable for failing to come to the rescue of another party in who could face potential injury or death without being rescued. In common law systems, it is rarely formalized in statutes which would bring the penalty of law down upon those who fail to rescue.

Duty to rescue - Wikipedia

Fulfillment by Amazon (FBA) is a service we offer sellers that lets them store their products in Amazon's fulfillment centers, and we directly pack, ship, and provide customer service for these products.

Types of Cases Juries are called to hear two types of cases: civil and criminal. Civil cases involve disputes between people or organizations. They may involve property or personal rights, such as landlord/tenant disputes, auto or personal injury accidents, product warranties, contract disputes, and harassment and employment disputes.
