Lists of emotions. Humans experience emotion, with evidence used that they influence action, thoughts and behavior. Emotions are categorized into various affects, which correspond to the current situation. An affect is a term used to describe the range of feeling experienced.. Many theories of emotion have been proposed, with contrasting views.

Aristotle coined the 3 pillars of influence as Ethos (credibility appeal), Logos (logical appeal), and Pathos (emotional appeal). We discussed credibility earlier, in the preparation part of your presentation, as it relates to building trust and rapport with your audience. Now is the time to craft your message so it finds balance between the other two, logic and emotion.
