Refugee women face gender-specific challenges in navigating daily life at every stage of their migration experience. Common challenges for all refugee women, regardless of other demographic data, are access to healthcare and physical abuse and instances of discrimination, sexual violence, and human trafficking are the most common ones. But even if women don't become victims of such actions ...

Child Protection in Emergencies Working Group - Lebanon The Child Protection in Emergencies Working Group (CPiEWG) strategy aims to provide a framework for the child protection sector's response to the ...

### **Situation Syria Regional Refugee Response - UNHCR**

A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely (for more detail see legal definition). Such a person may be called an asylum seeker until granted refugee status by the contracting state or the UNHCR if they formally make a claim for asylum. The lead international agency coordinating refugee protection is ...
