I only recently learned of the other two in the original series, White House Autumn and Long Live the Queen. There is now a fourth book in the series, Long May She Reign which came out almost 20 years after the original trilogy was published.

Long Live the Queen by Ellen Emerson White - Goodreads

In "Long Live the Queen" the outcome of almost all decisions depends on the levels of your skills. The skills are increased by attending classes. And the gain of your classes is determined by your mood. So before you can train the skill you want, you have to make sure that you are in the proper mood.
