The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...

Pederasty in ancient Greece was a socially acknowledged romantic relationship between an adult male (the erastes) and a younger male (the eromenos) usually in his teens. It was characteristic of the Archaic and Classical periods. The influence of pederasty on Greek culture of these periods was so pervasive that it has been called "the principal cultural model for free relationships between ...
