With 189 member countries, staff from more than 170 countries, and offices in over 130 locations, the World Bank Group is a unique global partnership: five institutions working for sustainable solutions that reduce poverty and build shared prosperity in developing countries.

### **Making Politics Work for Development - World Bank**

The global community has spoken loud and clear: more resources must be mobilised to end extreme poverty and mitigate the effects of climate change. Blended finance - an approach to mix different forms of capital in support of development - is emerging as an important solution to help raise resources for the Sustainable Development Goals in developing countries.
