Malcolm X (1925–1965) was an American Muslim minister and human rights activist. To his admirers he was a courageous advocate for the rights of blacks, a man who indicted white America in the harshest terms for its crimes against black Americans; detractors accused him of preaching racism and violence. He has been called one of the greatest and most influential African Americans in history.

The increasing integration of computing technology into the mainstream of daily activity enables this transition. One size may be adequate for all, but it's not particularly good for any given learning activity. Learning spaces in the 21st century need to foster discovery, innovation, and scholarship, not simply contain them.
