Marketing Charts - Charts, Data and Research for Marketers

A marketing orientation has been defined as a "philosophy of business management." or "a c A firm employing a product orientation is mainly concerned with the quality of its own product.

Marketing - Wikipedia

Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or enhanced by the network effects of the Internet and ...
