Vocabulary provides essential background knowledge and is linked to academic achievement. Effective teachers select terms for direct instruction, use a research-based process to teach those terms, and assess and track students' progress with new terms.

### **Marzano Research | Vocabulary**

This tracking sheet allows students to keep track of the terms they have learned as well as their level of understanding. Students can put the words in the term chart and refer back to it periodically to monitor their progress. One suggestion is to refer to this chart each time a new word is added to the vocabulary notebook.
