Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for K-12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. ...

It's not necessary to read 201-heavyweight-books to clear IAS! But at the same time, there is no single book which covers all topics of IAS exam Prelims and Mains. Considering the competition and vast syllabus, there is no doubt that UPSC exam preparation cannot be done without some essential books.

The General Educational Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. GED does not currently stand for anything and instead "it is more similar to a brand name." (personal communication with Pearson's GED Testing Program Customer Service).
