Singapore English is the English language spoken in Singapore, of which there are two main forms, Standard Singapore English and Singapore Colloquial English (better known as Singlish).. Singapore is a cosmopolitan city with 42% of its population born outside the country. [needs update] Singaporeans, even those of the same ethnic group, have many different first languages and cultures.

Singapore English - Wikipedia

Whole language describes a literacy philosophy which emphasizes that children should focus on meaning and strategy instruction. It is often contrasted with phonics-based methods of teaching reading and writing which emphasize instruction for decoding and spelling.However, from whole language practitioners' perspective, this view is erroneous and sets up a false dichotomy.
