these exotic Eastern commodities. In ancient times spices were very valuable articles of exchange and trade, like precious metals, pearls, and jewels, as confirmed by a number of passages in the Bible. For example, consider the story of Joseph and his brothers in Genesis 37:25. The young Joseph was his father's favorite.

In the culinary world, Spices refer to products used to flavor foods that come from the root, stem, seed, fruit or flower of a plant. Herbs are also products used to flavor foods, but come from the leafy green part of a plant. Weirdies is a category we made up to encompass everything else. These are their stories.
