COMMUNITY BASED TARGETING FOR SOCIAL SAFETY NETS 2 conducted by Subbarao et al. (1997, p. 87) for the World Bank contends that programs that involve communities, local groups, and NGOs can achieve better targeting outcomes.

Community Based Targeting Mechanisms for Social Safety Nets

Social media targeting is a form of targeted advertising, that uses general targeting attributes such as geotargeting, behavioral targeting, socio-psychographic targeting, but gathers the information that consumer have provided on each social media platform. For example, on Facebook if a consumer has liked clothing pages they will receive ads based on those page likes and the area they have ...

Welfare is a type of government support for the citizens of that society. Welfare may be provided to people of any income level, as with social security (and is then often called a social safety net), but it is usually intended to ensure that the poor can meet their basic human needs such as food and shelter. Welfare attempts to provide poor people with a minimal level of well-being, usually ...
