Its focus is on five major content areas: Development

Special Education: Teaching Students with Learning

Improving students' writing skills helps them succeed inside and outside the classroom. Effective writing is a vital component of students' literacy achievement, and writing is a critical communication tool for students to convey thoughts and opinions, describe ideas and events, and analyze information.

Teaching Secondary Students to Write Effectively

The students will be able to do the grammar drills smoothly, quickly, and without mistakes. 4. The students will realize that sometimes men do the housework in the United States.

Language Teaching Methods - American English

(Cronbach, 1957), i.e. the adaptation of teaching practices to characteristics of the class. Teachers do not act only in the classroom where they instruct students more or less in isolation from other classes and teachers. A modern view of teaching also includes professional activities on the school level, such as co-operating

Teaching Practices, Teachers' Beliefs and Attitudes

Students have different levels of motivation, different attitudes about teaching and learning, and different responses to specific classroom environments and instructional practices. The more thoroughly instructors understand the differences, the better chance they have of meeting the diverse learning needs of all of their students.
