Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".

Politician. In the field of business, entrepreneurship involves people taking a risk in order to create new business ventures, to gain advantage over a competitor, and to maximize profits. Traditionally entrepreneurs have been associated with the world of business, however the term is used in the political arena also.
