The Physics of Wall Street - GBV

The Physics of Wall Street: A Brief History of Predicting the Unpredictable by James Owen Weatherall was an interesting exploration of the history of probability, economics, and physics and how scholars in all those fields have crossed discipline lines and collaborated to understand and predict economic forces. I especially enjoyed how the ...

The Physics Of Wall Street__Weatherall, James Owen

Physics of Wall Street. I also found the book engaging, well written, and well researched, with detailed notes and ref-erences. Avoiding heavy math, it ex-plains the main concepts with clever analogies. I highly recommend it to anyone who is interested in economics and finance. Other books covering sim-
