Bernard Herrmann was perhaps the preeminent film composer of the 20th century. Holding a significant fan base throughout the years, he is one of the most talked about film composers, the subject of many discussions and scholarly papers.

The Nature of Bernard Herrmann s Music   The Bernard

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
