Quest of the Holy Grail. God's ministers set to interpret the meaning of life. They will tolerate no excuses or palliation of guilt. They stand for the monastic doctrine undefiled, but a monastic doctrine applied to the man of the world. Faith, humility, mercy and chastity are the pillars of their teaching.

Ethyl alcohol, or ethanol, is one of the most ubiquitous chemical compounds in the history of the chemical sciences. The generation of alcohol via fermentation is also one of the oldest forms of chemical technology, with the production of fermented beverages such as mead, beer and wine predating the smelting of metals.

Prior to what came to be called the quest for the historical Jesus, "the Jesus of history" was thought to be identical to "the Christ of faith." The intellectual movement known as the Enlightenment initiated the historical quest. The Gospels came to be viewed not simply as scripture but as historical sources.

The Field: The Quest for the Secret Force of the Universe seemed promising and interesting to me at first glance because of author Lynne McTaggart's angle. She tries to show that certain questionable topics, such as linking quantum physics to the somewhat New Age-ish idea that every single thing in the universe is connected, can actually be ...

The Observations maintain that the Quest for the Living God upholds the Church's conception of analogy and that the Committee has misunderstood and misrepresented the book. They point out that the book never states that all names for God are metaphors. It is true that this is never stated explicitly.
