Wolves in Ireland were once an integral part of the Irish countryside and culture, but are now extinct. The last wild wolf in Ireland is said to have been killed in 1786, three hundred years after they were believed to have been wiped out in England and a century after their disappearance in Scotland.

Wolves in Ireland - Wikipedia

Telecommunications in Ireland operate in a regulated competitive market that provides customers with a wide array of advanced digital services. This article explores Ireland's telecommunications infrastructure including: fixed and mobile networks, voice, data and Internet services, cable television, developments in next generation networks and broadcast networks for radio and television.
