the young zemindar his pdf

A zamindar, zomindar, zomidar, or jomidar, in the Indian subcontinent was an aristocrat. The term means land owner in Persian. Typically hereditary, zamindars held enormous tracts of land and control over their peasants, from whom they reserved the right to collect tax on behalf of imperial courts or for military purposes.

Zamindar - Wikipedia

La Martinière Boys' College was founded by an endowment from the wealthy eighteenth-century Frenchman, Major-General Claude Martin (1735–1800), who was an officer in the French and later the British East India Company. Martin acquired his fortune while serving Asaf-ud-Daula, the nawab wazir of Awadh, and was reputedly the richest Frenchman in India.
